Allowable Subject Matter

1. This communication is in response to applicant's amendment filed December 21, 2004 in the application of Iselt for the "Radio device with remote control" filed 10/18/2000. This application is a 371 of PCT International application number PCT/EP99/01055 which has an international filing data of 02/18/1999. This application claims foreign priority based on the application 198 07928.1 dated 02/25/1998 filed in Germany. The amendment, response has been entered and made of record.

Applicant's remark with regard to the rejection under 35 USC 103(a) are persuasive. The Declaration under 37 CFR.1.132 filed 09/02/2004 in support of the Applicant's statement of ownership, and in support against the cited prior art has been recorded. Furthermore, exhibits A & B in supporting the declaration of prior invention in a WTO member country to overcome a cited patent pursuant to 37 CFR.1.131.

2. Claims 1-14 are allowable as evident by applicant's amendment.

3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose or suggest wherein the integrated remote control interface transmits the operating states and additional data to the mobile remote control device and receives the operating functions and the additional data from the mobile remote control device, and wherein the wireless link has additional protective measures to ensure error-free transmission of the operating functions, the operating states, and the additional data. The prior art of record also

fails to disclose or suggest wherein the radio device is connected by a cable to a stationary or semi-mobile remote control interface, and wherein the mobile remote control device is connected by a wireless link to the second remote control interface of the stationary or semi-mobile remote control device for transmitting and receiving, as specifically recited in claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Man U. Phan whose telephone number is 571-272-3149. The examiner can normally be reached on Mon-Fri, 6:00AM - 3:00PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Huy Vu can be reached on 571-272-3155. The fax phone numbers for the organization where this application or proceeding is assigned are 703-872-9314 for regular communications.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is 571-272-2600.
